

RPI Outdoor Programs

Medical Form

This form will be seen and reviewed by trip leaders prior to each activity. It may also be used in the event of injury or illness to provide emergency medical personnel with pertinent medical information. This medical form will not be used as a screening tool. If you have any questions regarding your ability to participate in the activity due to medical reasons, please contact your physician. Trip Leaders, staff, and medical personnel will keep the information on this form confidential. If you need special accommodations for any reason, including medical, please notify the activity trip leader or RPI Outdoor Programs staff.

Outdoor Programs participants must understand the use of any prescription medications they may be taking. All students who are required by their personal physician, psychiatrist, or other health care provider to take prescription medications on a regular basis must be able to do so on their own and without additional supervision or assistance.

Acknowledgement

I understand the importance of providing accurate and truthful medical information, and I certify to the accuracy of the foregoing information. I further contend that prior to any activity/trip participation, I am in good health and know of no personal physical or mental limitations that would prevent my participation in an Outdoor Programs activity/trip. Furthermore, I understand it is my responsibility to manage my pre-existing medical conditions and the administration of my personal medication(s) on any activity/trip. In the event of illness or injury occurring to me or to my child (if participant is younger than 18) during attendance of an activity/trip, I do hereby consent to any X-ray examination, anesthesia, medical or surgical diagnostic procedure performed by or suggested by the attending licensed physician. Additionally, I do hereby consent to treatment that is considered reasonable and necessary in the best judgment of and performed by or under the supervision of an Outdoor Programs Trip Leader or staff of Rensselaer Polytechnic Institute. I understand that in an emergency or in the event of a serious illness or injury, reasonable efforts will be made to notify the emergency contacts listed. I understand I have the right to refuse submission of personal information. However, in doing so, I acknowledge that the activity staff, trip leader, or Rensselaer Polytechnic Institute staff may not have the necessary information to best assist me or my child (if participant is younger than 18) in a medical situation that may occur during an activity/trip.

Should any of the above information change, I agree to update this form and its contents prior to participation in any Outdoor Programs activity/trip.
